Do more with your talent, passion, and skills.

TRAIN TO BE A PTC GLOBAL SERVICES CONSULTANT

PTC invites recent college graduates to capitalize on an extensive skills training opportunity—one in which you will be introduced to a variety of topics enabling you to become a successful PTC Consultant and future leader. Your training includes instruction by key PTC management and employees, as well as hands-on learning through group work, case studies, and practical experiences.

Successful candidates will:

- Train in one of three global locations: Minneapolis, USA, Xi'an, China or Munich, Germany
- Shadow PTC Consultants on actual customer sites, gaining valuable insight into the collaboration between PTC Consultants and customers
- Become a PTC Technical Consultant upon graduation, consulting with customers regarding the best use of PTC products supporting product development, performing training, implementing software, and delivering otherservices

Training sessions in Blaine, Minnesota.

Who is PTC?

- Billion-dollar global software company helping companies worldwide to optimize their product development
- Customers include the world’s leading companies: EADS/Airbus®, Caterpillar®, Volkswagen®, Raytheon®, Nokia®, Sony®, Huawei®, Lenovo®, HKMC®, Cummins Engine®
- Recognized market leader in Product Lifecycle Management (PLM)
- Offers the only integral Product Development System, ranging from our renowned Creo™ Elements™ 3D CAD to our game-changing Windchill PLM software

How Does PTC Define Itself?

Passionate: 5,000+ professionals focused solely on product development solutions.

Innovative: Since we foresee industry needs, we are often first-to-market with effective product development solutions.

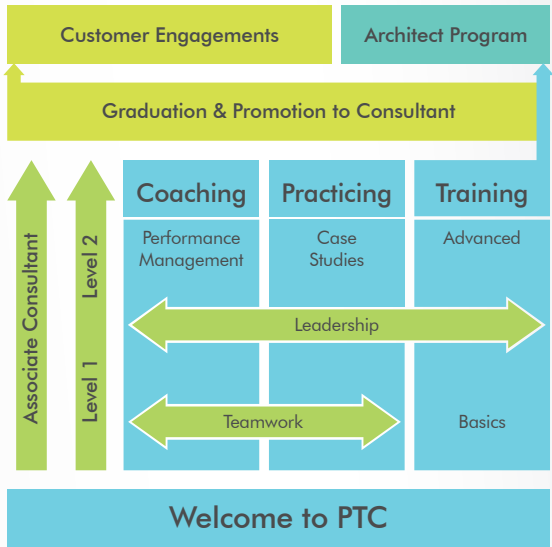

Trusted: 25,000+ companies rely on PTC each day to give life to their product ideas and drive their success.

“The biggest reason why I wanted to join PTC is the reputation of excellence that characterizes the company. The position itself gives me the opportunity to grow both professionally and personally.”

– Matthew Galica, Boston University ‘10

What is PTC Services Academy – Consultant Program?

- Thrive in a blended program that builds on your academic background
- Learn PTC technologies and practices, to prepare you for field engagements
- Develop real-life professional skills, learn best practices, and receive coaching throughout training
- Cross-train in all areas of PTC Global Services, giving you broad opportunities to grow in our fast-paced environment
- Work with the world’s leaders in innovation and product development during consulting engagements that potentially span the globe

Global Services: Fast Track to Leadership

As a Consultant within PTC Global Services, you quickly develop leadership skills as you accelerate your career in the rapidly growing world of product lifecycle management and its application to challenges such as global product development, increasing regulatory concerns, and the integration of dispersed development teams.

Global Services: A \$250M Division of PTC

- Our robust set of frameworks and best practices provide customers with guidance through every stage of their PLM strategy
- Our culture is high-energy, fast-paced, and ever-evolving
- Our people cite teamwork and supportive peer networks as top reasons why they enjoy working here

PTC Services Academy

PTC Services Academy is the organization in PTC driving all Development and methodology for PTC Global Services. The PTC Services Academy Consultant Program is just one out of several programs targeted for your continued professional development and supporting your career in PTC.

PTC Services Academy Consultant Program

PTC Services Academy Consultant program is an extensive, multi-month training program, after which you will be assigned to an area of the business based on your performance, expertise, and personal interests. These assignments allow for flexibility in location and focus of consulting activity.
